

High-Speed HDMI® Cables with Ethernet

APPLICATION

Leviton commercial-grade HDMI cables combine with the Leviton IT/AV system to provide the highest performance in education, healthcare, enterprise, and government applications. These cables are CL2 rated for in-wall use and are ideal for 1080p, 4K, 3D, and deep color signals. The optional cable locking system provides a secure connection for the cable to all Leviton HDMI Signal Extension devices, making it ideal for in-wall and permanent system installations.

SPECIFICATION

Cable shall be High-Speed HDMI with Ethernet and shall be HDMI certified. The cable shall also be rated CL2 for in-wall installation and shall have gold-plated connectors. The cable shall support Audio Return Channel.

Lock kit shall be universal for adapting to a wide range of HDMI connector overmold sizes and shall include both M3X0.5 and 40-40UNC screws.

FEATURES

- Cables support Ethernet Channel over HDMI
- Cables support Audio Return Channel
- CL2 rated for in-wall use
- Gold-plated connectors for best performance and long life
- Durable commercial-grade construction makes these cords appropriate for device connections, as well as in- and through-wall installations
- Compact connector body and flexible cable accommodate common box depths while maintaining minimum bend radius
- Optional Cable Lock Kit helps secure HDMI cables to Leviton signal extension hardware for permanent installations
- Lock Kit includes two sets of universal adapters and screws to secure the cable from either the top or side of the connector body

PHYSICAL SPECIFICATIONS

Dimensions: 0.27" (7 mm) cable outer diameter

Lengths: 3, 6, 10, 15 feet (1, 2, 3, 5 meters)

Cable Material: 28-gauge conductors
Black PVC jacket
Molded TPE connector outer body
Gold plated Type A male HDMI connectors

Lock Kit Material: Adapter – 18-gauge steel, black powder coat
Screws – M3 X 0.5 steel black oxide finish,
4-40 UNC steel zinc-plate finish
Nylon tie wrap

STANDARDS COMPLIANCE

- HDMI
- cULus Listed: UL 1863
- CAN/CSA C22.2 No. 233-09

COUNTRY OF ORIGIN

China
