

RCI Security Products Price Book Canada

December 2021

What's New

This price book dated December 2021 contains NO PRICE CHANGES. It does feature some new and changed product information and details. All changes are listed below for quick reference

New Products

T2T Touch to touchless conversion modules

Converts existing Stainless Steel actuators into a touch-free solution
eg. RCI 946/950

910TCN - Narrow

RCI 910TC touchless switch available in narrow (mullion) size

910TC & 910TCN language

RCI 910TC touchless switch faceplates now available in French

Changed Products

991 Pneumatic Pushbutton

Pneumatic Time Delay Handicap Pushbutton
Legacy version will be returning. More details to follow.

Warranty

Updated warranty for Electric strikes; Power supplies and Switches

Touchless Access Solutions

Good for Hygiene. Good for You.

Touchless switches

Touchless actuators

Low energy swing door operators

Reduce the spread of germs in your facility.

Hygiene is one of the most important things in our lives. Touchless door activation can make the difference when it comes to a clean, hygienic facility. Touchless access is crucial in high contact public places such as healthcare facilities, restaurants, schools, offices and restrooms.

With touchless access, abuse-related replacement expenses are greatly reduced. All switches come with a warranty. dormakaba access solutions offers many solutions to fit your needs for a touchless solution including touchless switches and low energy swing door operators. Minimizing high touchpoints does not mean you will compromise your facility's safety, security or health.

Electromagnetic Locks

RCI Electromagnetic Locks

8310 MultiMag®

For single outswinging interior or perimeter doors.
 10-1/2"W x 2-7/8"H x 1-5/8"D (268mm x 73mm x 41mm) –
 Includes 1/4" (6mm) mounting bracket
 Armature Plate: 7-7/16"W x 2-3/8"H x 5/8"D
 (190mm x 61mm x 16mm)

8320 MultiMag®

For double outswinging interior or perimeter doors.
 21-1/8"W x 2-7/8"H x 1-5/8"D (536mm x 73mm x 41mm) –
 Includes 1/4" (6mm) mounting bracket
 Armature Plate: 7-7/16"W x 2-3/8"H x 5/8"D
 (190mm x 61mm x 16mm) each

8310 MultiMag® - for Single Outswinging Doors		List Price
8310 x 28	Single Mag 12/24VDC x 28	\$627.00
8310 DSS x 28	Single Mag DSS 12/24VDC x 28	\$746.00

LEKL602	2" Lip extension kit for retrofit (low profile)	Black	L6 Series	\$80.00
LEKL603	3" Lip extension kit for retrofit (low profile)	Black	L6 Series	\$98.00

Ice Pack

Heat reducer for continuous duty electric strikes. Operating voltage – 12 to 30VDC.

Model	Description / Dimensions	Compatible with	List Price
ICEPK	Heat reducer for continuous duty electric strikes	0/F1/2/4/6/7 Series	\$94.00

Mounting Spacer Kits

Ideal for increasing latch depth.

Model	Description	Compatible with	List Price
0162MSK	1/16" mounting spacer for additional latch engagement	0162	\$13.00

RCI Electric Strikes Accessories

Strike Marking Template Kit

Ideal for accurately guiding prepping of the frame for the installation.

Model	Description	Finish	Compatible with	List Price
SMT-01	Strike Marking Template Kit	Aluminum	F2/4/6/7 Series	\$64.00

2 Series Plug-In Latch Monitor

Latch monitor plug-in kit (2A @ 24VDC).

Model	Description	Compatible with	List Price
F2LM	Plug-in latch monitor kit (2A @ 24VDC). Improved design to accommodate 1/2" - 3/4" latch throw	F2164	\$74.00

Trim Plates

Ideal for concealing any imperfections caused while prepping the frame cut out.

Model	Description	Finish	Compatible with	List Price
TP-47-5PK	Trim Plate - 5 Pack	Black	4/7 Series	\$31.00
TP-L6-5PK	Low profile Trim Plate - 5 Pack	Black	L6 Series	\$28.00
TP-S6-5PK	Standard profile Trim Plate - 5 Pack	Black	S6 Series	\$28.00

2 Series Filler Plate

Filler plate (for use when replacing discontinued 2 Series models).

Model	Description	Compatible with	List Price
2FP	Filler plate for use when replacing discontinued 2 Series models	F2164/2364	\$18.00

Security Hardware Packs

Model	Description	Compatible with	List Price
2SERIESHWK	Includes screws, bit, mounting tabs, allen key, shims, connector, deadbolt bracket and plug.	2 Series	\$65.00

RCI Switches

910TC Series Touchless Actuators

2-15/16"W x 4-11/16"H single-gang mounts | 1-3/4"W x 4-1/2"H mullion mounts

Warranty
2 Year Limited Warranty

The RCI 910TC touchless switch is designed for touchless door activation in any facility. It functions by triggering activation of automatic door openers by hand gesture or use of a remote fob. It can make the difference when it comes to a clean, hygienic facility.

RCI Exit Devices

Exterior Trims

For 1200/1300 rim exit devices.

- Electrified option available
- UL certified ANSI/BHMA 156.3, Grade 1
- UL certified for fire doors

Exterior Trims for 1200/1300 Exit Devices		28 Finish
02P-LTD	Escutcheon with pull – thru-bolt mounted 1-15/16"W	\$147.00
03C-LTD	Escutcheon only – cutout for cylinder 1-7/8"W, thru-bolt mounted	\$112.00
03P-LTD	Escutcheon with pull – cutout for cylinder 1-15/16"W, thru-bolt mounted	\$161.00
08-L	Lever – field selectable handing LH/RH, cutout for cylinder, thru-bolt mounted 1-13/16"W, Std. LHR, field reversible to RHR	\$433.00
08N-L	Lever narrow – cutout for cylinder, for 2-1/8" stile, thru-bolt mounted 1-13/16"W, specify handing	\$433.00
08-EL	Electrified lever – field selectable handing LH/RH, cutout for cylinder, thru-bolt mounted 1-13/16"W, Std. LHR, field reversible to RHR, 24VDC standard (12VDC optional)	\$731.00
08N-EL	Electrified lever narrow – cutout for cylinder, for 2-1/8" stile, thru-bolt mounted 1-13/16"W, specify handing, 24VDC standard (12VDC optional)	\$731.00
40 finish		add \$26.00

NOTE: Cylinders not supplied with trim.

Accessories for 1200 and 1300 Series		List Price
DDS	Double door strike, black oxide finish	\$147.00
SS1	Signal switch SPDT	\$161.00
SS2	Signal switch 2SPDT	\$196.00
SS1W	Signal switch SPDT weather-proof with mounting hardware	\$220.00
SS2W	Signal Switch, 2SPDT, Weatherproof	\$220.00

Power Supplies

RCI Power Supplies

DKPS-2A

The dormakaba DKPS-2A power supply/charger is designed to convert 120-240 VAC, 50 or 60Hz into a continuous 2 Amp supply at 12 or 24VDC power outputs (switch selectable).
FPDB standard (Fire Panel Disconnect Board)

Model	Power Supply	List Price
DKPS-2A	2 amp power supply - 12/24VDC @2.5 amps	\$465.00

DKPS-4A

The dormakaba DKPS-4A power supply/charger is designed to convert 120-240 VAC, 50 or 60Hz into a continuous 4 Amp supply at 12 or 24VDC power outputs (switch selectable).
FPDB standard (Fire Panel Disconnect Board)

Model	Power Supply	List Price
DKPS-4A	4 amp power supply - 12/24VDC @4 amps	\$620.00

DKPS-6A

The dormakaba DKPS-6A power supply/charger is designed to convert 120-240 VAC, 50 or 60Hz into a continuous 6 Amp supply at 12 or 24VDC power outputs (switch selectable).
FPDB standard (Fire Panel Disconnect Board)

Model	Power Supply	List Price
DKPS-6A	6 amp power supply - 12/24VDC @6 amps	\$882.00

RCI Power Supplies Accessories

DKPS-TSW1 Tamper Switch

The **tamper switch** is a device that is designed to connect to the DKPS Power Supply. When installed, it signals a warning to authorized personnel if the metal enclosure has been removed from the wall and/or the door is not fully closed or secured.

How to Order				List Price
DKPS	-	TSW1	- 02	Tamper switch for DKPS power supply enclosure door
				\$20.00

NOTES: Tamper switch is recommended but is required when the entire access control installation must meet UL294 Edition 6 or higher.

DKPS-TSW2 Tamper Switch

The **tamper switch** is a device that is designed to connect to the DKPS Power Supply. When installed, it signals a warning to authorized personnel if the metal enclosure has been removed from the wall and/or the door is not fully closed or secured.

How to Order				List Price
DKPS	-	TSW2	- 02	Tamper switch for DKPS power supplies (enclosure door & installation)
				\$26.00

NOTES: Tamper switch is recommended but is required when the entire access control installation must meet UL294 Edition 6 or higher.

WPDT Wireless Power & Data Transfer

1" (25mm) x 4.13" (104mm) x 1.88" (47mm)

Transfers low voltage power and data signals without the use of hard wires. WPDT offers an innovative and less intrusive way of wirelessly transferring low voltage power and data signals between a door and frame.

How to Order			List Price
WPDT		Wireless power and data transfer	\$535.00

K-SMART3 13.56MHz Reader Series Keyscan Smartcard BLE Reader

This Keyscan BLE-ready smartcard reader is a 13.56 high frequency reader that offers users the convenience of using smartcards and the new K-BLE mobile credentials. It features additional support for a built-in "heartbeat" that monitors the reader communication advising end-users if any type of optional reader tamper or if the reader cable is cut. May not work with non-Keyscan access panels without purchase of optional K-PC2 programming card to disable enhanced features. Suitable for indoor and outdoor applications. Keyscan ACU requires System Firmware V 9.39 or higher for enhanced feature.

Terms & Conditions

Freight

Transportation and handling charges on all goods are prepaid by dormakaba Canada Inc., and billed back to the customer, unless otherwise specified. Free freight will apply on all orders of CAD\$5000.00 net or more per purchase order within Canada, unless otherwise specified. Carrier to be selected by dormakaba Canada Inc.; air freight and other requested shipments will be at the expense of the customer. Handling is added to freight.

Product Changes

dormakaba Canada Inc. reserves the right to discontinue models and/or make changes at anytime in materials, parts, components, specification, etc., without notice and without incurring any obligations on models built prior to the change.

Shortages

A written claim for shortages must be made within 10 days after receipt of the order.

Templates

Templates are available for all standard products, special templates and wiring diagrams for custom orders are available upon request for a minimal fee.

Defective Products

Products that exhibit defects in any material and/or workmanship will be replaced by the factory upon verification by a local representative or the technical department at dormakaba Canada Inc.. All returns must be issued a returned material authorization (RMA) number prior to being sent back to our facility. Returns can be done immediately or periodically, depending on the urgency. They will be addressed promptly. Warranty information is available upon request for individual products.

Cancelled Orders

Cancelled orders are subject to an additional charge. Cancellation will not be accepted of goods that are not regular stock items, such as special orders. Damage Claims – Title passes to the customer upon delivery to the carrier. Loss and damage claims must be filed with the carrier by the customer. Disputes with the carrier do not alter our payment terms and are the responsibility of the customer.

Credit Balance

Any resulting credit balance on a customer's account for returns or any reason other than RCI's error, must be used as a credit against future purchases. Checks will not be issued to pay off a credit balance, other than due to dormakaba Canada Inc.'s error.

Prices

Orders are accepted with the understanding that they will be billed at prices in effect at the time of shipment, except when firm prices have been quoted. Prices are subject to change without notice.

FOB

Prices are FOB our warehouse. Upon pick-up by the transportation company, shipments become the property of the purchaser, who assumes the risk of loss or damage in transit.

Payment Terms

Payment terms are NET 30 DAYS to customers with approved credit. Cash discount terms of 2% - 10 days are available unless otherwise stated. We reserve the right to withhold shipment to accounts that do not meet our payment terms. State sales tax is extra where applicable.

Returned Goods

Any defects or errors for which RCI is responsible for will be promptly rectified. Returned goods will not be accepted without prior approval and a returned material authorization (RMA) number, which must appear on all documentation relating to the returned merchandise. The original invoice number and purchase order number is required for all returns. All returns must be shipped with freight prepaid. Returned goods are subject to a minimum restocking charge of 20%. There may be additional charges to replace any abused or misused parts or components to restore the product to its original or saleable condition. Time limit for returning merchandise is 30 days after authorization, unless otherwise stated.

Special Order Returns

Returns of "Special Orders" will not be authorized.

C.O.D.

While processing a credit application, RCI may require your initial order C.O.D. We reserve the right to make C.O.D. shipments at our discretion.

Discounts

All discounts are subject to foreign exchange fluctuations, changes in import duties, and other applicable taxes.

E&OE

Errors and Omissions Excepted.

Minimum Charge

No minimum charges apply.

Non standard finishes

Some "non-standard" finishes may come with an added charge. Contact customer service for information prior to order.

RCI Product Warranty

Subject to the limitations herein, dormakaba Canada Inc. warrants its products from the date received by Purchaser. Specific product warranties may vary according to products and are listed in their respective product sections below. Failure of the Purchaser to notify dormakaba Canada Inc. within the time limit set in this section shall constitute Purchaser's waiver to have the malfunction or damage remedied. dormakaba Canada Inc. reserves the right to modify this warranty at any time, it being understood that such modification will not alter the warranty conditions applicable to the products sold while this warranty is in effect.
