

## Trove3BL3 Kit / TBL3 Backplane Access & Power Integration Solution

### Description

Altronix Trove™ enclosures and backplanes let you easily integrate Altronix accessories with any manufacturer's boards, equipment and accessories. These models allow you the option of drilling your own mounting holes to accommodate the access controller boards, power supplies and accessories to customize your own access system. Trove simplifies board layout and wire management, reducing installation time and labor costs.
